YES! I'M CONVINCED! Here's my problem... (Check as many as apply):

- I'm tired of lifting box after box to find the comic I'm searching for.
- Have comics I haven't seen for years because they are at the bottom of a heavy stack of boxes.
- Just plain out of storage space for my collection. I need to a way to stack my comics and still get to them.
- I have piles of comics waiting to be filed because it is too much work to dig through the boxes
- Don't have a storage system right now.
